## Staying Healthy in Terrell

Terrell has a variety of healthcare options aimed at curing about any ailment ? from broken bones to migraines to foot pain and everywhere in between. Terrell's healthcare providers and private medical specialty, vision, dental, and chiropractic clinics serve the health needs of Terrell citizens. Skilled nursing facilities provide residential care for those who are unable to look after their own health needs.

### **Baylor Scott & White Health**

Medical Drive, corner of Spur 557 and I-20

Baylor Scott & White Health owns 52 acres in Terrell Market Center, which is designed to be a regional medical concentration that will feature a new full-service, 100-bed expandable to 400-bed hospital. Baylor Medical Terrell will be the largest regional medical facility serving Kaufman County and the East Texas region west of Tyler.

---

### **The Baylor Regional Imaging Center of Terrell**

200 N. Virginia

972.551.7400

Regional Imaging Center of Terrell offers a wide array of services:

- Spiral CT
- Ultrasound
- Mammography
- Fluoroscopy
- Flat Plane

### **Terrell State Hospital**

1200 E. Brin  
972.524.6452

Terrell State Hospital is a 316-bed, JCAHO accredited and Medicare certified, psychiatric Hospital operated under the direction of the Texas Department of Mental Health and Mental Retardation (TXMHMR). TSH offers services for persons with mental illness and mental retardation to enable them to make choices that result in lives of dignity and increased independence. The hospital provides services to individuals within a 22-county, 14,622 square mile area including Dallas, Kaufman, and Rockwall counties.

Services are provided for children ages 6 to 12 years, adolescents ages 12 to 18 years, and adults. Programs include acute care, an intensive behavioral program, medical services, forensic care for inmates of state correctional institutions, intermediate care, a "cottage" program for adult life skills, and a research center.

---

**Lakes Regional MHMR Center**

400 Airport Road

972.524.4159

Lakes Regional MHMR Center provides in-home and out-of-home care for the mentally challenged and offers community education programs to increase understanding in the general population. Lakes Regional supports patients and their families by providing adaptive devices that help maintain a level of function in the home. Skilled teams assist with housing, psychosocial training, screening, monitoring, and vocational training. In addition to its day facilities, Lakes Regional offers two group homes in Terrell.

STAR Services, a program for at-risk children ages 7-17 is offered in cooperation with the Texas Department of Regulatory Services.

---

Terrell is also served by medical specialty clinics, vision clinics, dental clinics, chiropractic clinics, and four nursing homes.
